

April 21, 2020

Dear Family, Friends and Supporters,

We hope and pray you are all safe and healthy. It has certainly been a strange past several weeks, but we take great comfort in knowing that our God is always in control of our lives and that He hears all of our prayers and will answer them according to His perfect will. Even though things have definitely not been “normal” in our lives and work, we still wanted to share with you all some of what has been going on here in South Florida these past 2 months.

Our most exciting news to share is that we have welcomed 3 new sisters into the family of God this past month! As many of you may have already seen on Facebook, the week prior to Easter was a very exciting week here as 3 of the ladies we have been studying with for awhile now finally decided to commit their lives to Christ! Marlene was baptized on Monday April 6th, Ariadna was baptized on Tuesday April 7th, and Lenis was baptized on Wednesday April 8th! Since all of the local pools and beaches are closed due to the virus, our teammates Riley and Brittany offered the use of their own personal pool to do the baptisms. It was such a joyous week, even in the midst of all the fear and uncertainty that many have been experiencing recently, and we praise God that these 3 ladies made this decision to become followers of Jesus!

Although we are not meeting at the building right now, we have continued to hold weekly Sunday worship services on Facebook live, as well as a mid-week Bible study on Wednesday evenings on Zoom. Kayla has also continued her weekly women’s English Bible study on Fridays on Zoom, a study which new sisters Ariadna and Lenis are a part of. The ladies from our Spanish-speaking congregation also had a women’s Bible study on Zoom last week, which was a huge encouragement to all who participated. Riley and I are also taking turns posting short devotionals on Facebook and on our church Whatsapp group each day, to try to continue encouraging people throughout this difficult time. It has definitely been a very different lifestyle to adapt to, but we are trying to stay involved and in contact with the church members as much as possible.

On a personal note, Kayla and I would like to share that we are expecting our third child! We are very thankful and excited that God has blessed us with another child, and we ask for your prayers as we journey through these next few months. We are of course also in prayer for all who have been affected by this virus, whether physically or financially, and continue to seek God’s guidance in how best to move forward with all the changes that have come as a result. May all of God’s children have peace in knowing that nothing in our lives happens outside of the Father’s control. We send our love to you all!

In Christ,

Mauricio & Kayla Yegros
